### 2. Name of activity: Ozone Awareness Program

**Date: 16<sup>th</sup> September 2014**

**Topic: Ozone layer preservation**

**Organizer: School of Social science**

**Report:**

School of Social Science under the leadership of Prof. Kanhaiya Ahuja, HOD, School of Social Science and Dr. Jyoti Sharma, Course coordinator, SOSS organized an awareness drive regarding “Ozone Layer Preservation” on 16<sup>th</sup> September 2014 to celebrate the day.

Under this program the students of B.S.W and M.S.W were given the task to spread awareness about ozone layer. The students gained information about the ozone layer from their teachers and later formed 8 groups and went into the field to spread the awareness about importance of ozone layer and how ozone layer is getting depleted. To celebrate the uniqueness of the event the groups were named after trees such as Neem, Peepal, Ashok, Chandan, Bargad etc. The students also initiated a pledge campaign in which they not only shared information with the people but also made them pledge that they will plant trees and protect ozone as well as environment.

This program was successfully conducted under the supervision of research scholars Mr. Dharmendra Patni and Mr. Harsh Pandey. The students collected more than 150 signatures in one day and more than 300 people supported the drive. The students later made video presentation in which they interacted with people and made them aware.

Afterwards Dr. O.P Dave, Chief Speaker shared his views on the related topic. He mentioned certain points in his lecture.

He foremost questioned the students how you can invest your income. Later he answered the question by telling them some of methods of investment such as Bank Deposits, gold and silver, post office, real estate, mutual funds etc.

Later Dr. N.K Jain educated students about making investment goals. Giving detailed information about planning investment goals he also cautioned about the fraudulent chit fund companies. He told students that how to invest in mutual funds and overview the security of funds by studying the ratings given by credit rating agencies.

At last research scholar Mr. Dharmendra Patni thanked the Chief Speakers. The students expressed that they learned a lot from the lecture and it will help them achieve their financial goals.

**Date: 01& 02 November, 2014**

**Topic: Challenges and Prospects of development in Madhya Pradesh**

**Chief Speakers: Mr. Vikram Verma (Ex. Minister, Govt. of India)**

**Mr. Narendra Nahata (Ex. Minister, Govt. of Madhya Pradesh)**

**Dr. Ganesh Kawadia (Renowned Economist) and HOD, School of Economics, DAVV Indore**

**Dr. K.Ahuja (Head, School of Social Science)**

**Organizer: Universal Peace and Social Development Society and School of Social Science**

**Report:** Development foundation organized a seminar on “Challenges and prospects of development in Madhya Pradesh” on 1<sup>st</sup> November, 2014, at 5:00 PM in Pritamlal Dua Sabhagrah. The seminar was headed by Mr. Mukund Kulakarni .He welcomed the chief speakers Mr. Vikram Verma, Mr. Narendra Nahata and Dr. Ganesh Kawadia with warmth. Soon after the welcome chief speaker Dr. Ganesh Kawadia shared his views and experiences pointing at some key issues. He discussed that Madhya Pradesh is the second largest state of India but still lacks economic development. He highlighted that Madhya Pradesh is the largest producer of soyabean and pulses in the country and emphasized that other sectors should also be developed like this. He also brought into light that all the major railway lines pass through Madhya Pradesh and can become tracks of development in future.

Later Mr. Narendra Nahata critically evaluated development of Madhya Pradesh. He told that the economy of Madhya Pradesh is smaller than economy of other states. He raised his concern over slow industrial growth of Madhya Pradesh and its consequences.

Afterwards, Mr. Vikram Verma focused on development of cooperative societies in the state. He viewed Madhya Pradesh as a land of opportunities and focused on exploring new avenues of development. At last Head of development foundation Mr. Mukund Kulkarni thanked all the chief speakers Mr. Vikram Verma, Mr. Narendra Nahata ,Dr. Ganesh Kawadia and Dr. Kanhaiya Ahuja presented the memento.

Second day, Dr. Kanhaiya Ahuja, HOD, SOSS delivered a lecture on challenges of future aspects of economy of Madhya Pradesh during the scenario, organized by Universal Peace and Social Development Society at Hotel Apsara on 02 Nov. 2014.

## 6. Name of Activity: Special Lecture

**Date: 24 November, 2014**

**Topic: Female Feticide and Sexually transmitted Diseases**

**Chief Speaker: Mr. Pratyul Kumar Jain, Regional Manager (Family Planning Association)**

**Organizer: School of Social Science**

### Report

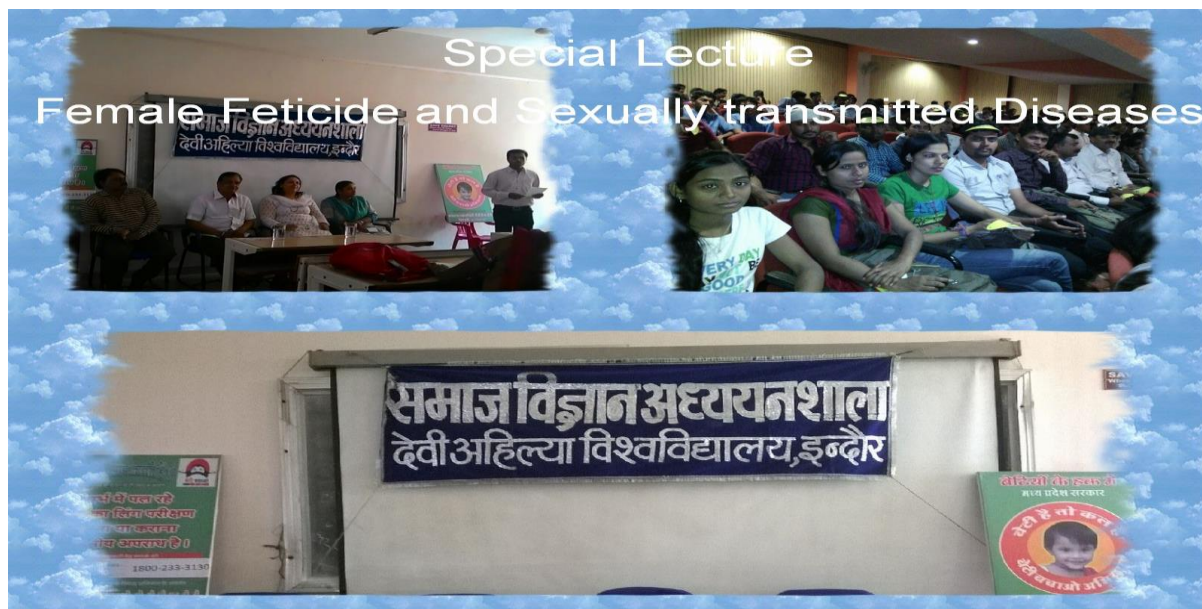

School of Social Science organized a special lecture on “Female feticide and Sexually transmitted diseases” on 24<sup>th</sup> November, 2014 at 12:00 PM. The program was headed by Dr. K.Ahuja, Head and Dr. Jyoti Sharma, Course coordinator, SOSS who welcomed chief speaker Mr. Pratyul Jain.

Mr. Pratyul Jain majorly focused on the problem of female feticide and its ill effects. This problem is constantly increasing in India. He told that his institution introduced a project in Indore to stop female feticide. The ground realities were more shocking than the fact known to us. The society still thinks that son is the carrier of their family and only a son can make their soul rest in peace (Moksha).

He elaborated further that this thinking is leading to a disturbed sex ratio in the country. In the states like Punjab, Haryana and Rajasthan the sex ratio is seen the worse. This has also led to increase in number of rapes in the country.

He also guided the students Sexually transmitted diseases are increasingly spreading in both males and females due to unsafe sex. He also discussed about HIV and AIDS and educated students about their effects and sources. The students also took interest and raised their queries regarding the topic.

At last Mr. Arvind Parihar thanked chief speaker Mr. Pratyul Jain for giving his time to our institution.

## **7- Name of Activity: Workshop**

**Date: 25 January 2015**

## 10.Name of Activity: Seminar

**Date: 13 April 2015**

**Topic: T.B. Burden in India**

**Organizer: School of Social Science and Collaboration for Elimination of TB, Indore (NGO)**

### Report

On **13 April 2015** a Seminar was held at School of Social Science,D.A.V.V., Indore. Around 87 students were gathered in this Seminar. The Seminar was jointly organized by Collaboration for Elimination of TB, Indore and School of Science, Devi Ahilya University, Indore. Firstly Seminar was inaugurated by Prof. K.Ahuja (Head) and Prof. Jyoti Sharma (Course coordinator, SOSS). After that a lecture was delivered by speaker Mrs. Sangeeta Pathak (Programme Manager). The Seminar was divided into two sessions. First session was held on topic elimination of Tuberculosis from India. She gave the information regarding quick intervention of T.B., symptoms of T.B., vaccination and precautions. Each day nearly 1,000 die from tuberculosis (TB) in India, even though we have the methods for detecting, treating and stopping the spread of TB. The burden of TB is high in Madhya Pradesh. For example, in the district of Indore there are 25,000 symptomatic cases of TB of which about 4,500 cases are put on treatment. Additional cases are under treatment by private physicians. In 2010, CETI initiated innovative projects for TB elimination. In 2013 CETI teamed together with Rotary Club of Indore to write a Global Grant for TB. In the process with recommendation from Government official new districts of Barwani, Ujjain and Dewas were added with local Rotary Clubs. The medicine course of TB is completely free of cost. In second session a discussion between speaker and students was held on various issues like. Causes of T.B. in India,Group Therapy for T.B., etc.. The students also took interest and raised their queries regarding the topic.
